of the authority and legislative functions of the Commission. Provided, however, that the time allowed for each citizen's appearance before Commission may be limited to a fixed number of minutes at the discretion of the presiding officer. Members of the public will usually be granted five (5) minutes to present their position on issues. Time will be kept by the Executive Secretary. Members of the Commission may move to grant additional time to speakers. Such extended time will be determined by a simple majority vote of Commission, present and voting.

A maximum of thirty minutes will be allotted for a public comment portion of each regular Commission meeting. Members of the public wishing to provide comment on items not already posted on the agenda during the public comment portion of the Commission agenda must sign up prior to the start of the Commission meeting. The Secretary shall make available the sign-in sheet for the public inside of the meeting location on the day of the Commission meeting up until the start of the meeting. Any person signing up to provide comment during the public comment portion of the agenda must provide their name, address and a short description of the topic(s) of their comment.

To facilitate the receiving of comment from as many citizens as possible who are interested in bringing topics forward to the Commission for comment, a person may sign up to obtain one time slot to speak or otherwise make a presentation on one or more specified topics during the public comment portion of a Commission meeting. This provision does not restrict any member of the public from signing up to speak on items posted on the regular agenda or to ask questions regarding items posted on the consent agenda.

The time allotted for the public comment portion of the agenda shall be uniformly divided among those who have signed up to obtain a time slot and participate and except as provided below, nor will a speaker have more than five minutes to speak or otherwise make a presentation, regardless of the number of topics a speaker wishes to address within his or her time slot. At the beginning of the public comment portion of the agenda, the Secretary will make one announcement as to the amount of time that each person has to provide comment. The Secretary will call each person signed up to make comment to the podium in the order that they signed up to speak and will keep time. Each topic brought forward will be for comment from the speaker and may not be deliberated by the members of Commission nor rebutted or debated by members of the public. Any member of the Commission may propose that the topic commented on be posted by staff on a future Commission meeting agenda for the Commission's discussion and action.

If the allotted thirty minutes for the public comment portion of the agenda has not been completely utilized by the persons who signed up, then the Commission shall proceed with the remaining the agenda.

Members of the public wishing to ask a question regarding an item posted on the consent agenda or to speak to an item posted on the regular agenda must sign up prior to the start of the meeting on the day of the Commission meeting. The Executive Secretary shall make available the sign-in sheet for the public inside the meeting location on the day of the Commission meeting up until the start of the meeting. Persons may sign up to address multiple items, however this does not mean it is permissible to "mark all" or to sign up for every item "just in case" they wish to speak when the discussion on an item takes place.

At the time that the consent agenda is taken up for consideration, the Executive Secretary shall advise the Chair whether persons in the audience have signed up to ask a question regarding an item posted on the consent agenda. The Chair shall have the floor and may ask the Executive Secretary to call those individuals up to the podium to hear their questions. At that time, the Executive Secretary will announce the agenda item number and call the person to the podium. The Chair may request the Secretary or other staff to respond to the questions raised by the members of the public. In his or her discretion, the Chair may move the consent agenda item to the regular agenda for continued discussion and action by the Commission.

Members of Commission may move to overrule the determinations by the Chair under this section by a simple majority vote of the Commission members present and voting.

No person may speak a second time except by permission of the presiding officer, and further, no person shall be heard a second time until all persons desiring to speak once have been given the opportunity to do so.

Personal attacks are not permitted. Members of the public should address their questions to the Commission, not to the staff. Commission may in turn ask staff to provide input.

Members of the public may be asked to leave or be removed from the meeting if it is determined that they are disruptive to the meeting. Such determination will be made by the presiding officer. Commission may move to overrule such determination by the presiding officer subject to a simple majority vote of Commission, present and voting.

9. A majority of the membership may take any matter under advisement for later consideration and determination, or may defer action when it concludes that additional evidence is needed or further study is required; provided that all requirements of state law and local ordinances are followed.
10. Following the staff presentation and recommendation, applicant and public input if any, the Chair or a vote of the majority of the members shall have the authority to close the discussion to the Commission. Once discussion has been closed to the Commission, no employee, applicant, or member of the public may speak unless questioned by a member of the Commission.
